**The Global Compact for Education** “Calls for a commitment on the part of families, communities, schools, universities, institutions, religions, governments and the entire human family to the training of mature men and women.” With this webinar, FAFCE – the Federation of Catholic Family Associations in Europe – and UNAEC-Europe – the European Union of Catholic Education Alumni – respond to this call, in the framework of the *Amoris Laetitia Family Year*, with the objective of raising awareness of the urgency of the educational emergency for the future of our Continent and beyond.

To better enjoy this webinar, please take the time to read the [Pope Francis' Message on a Global Pact on Education](#) (Rome, October 15, 2020).
